get fit stay active JOIN THE PRESIDENT'S SPORTS CHALLENGE!

The President's Sports Challenge is an exciting **nationally sponsored** program designed to encourage all Americans to stay active and fit. The goal is to see how many points you can earn by staying active.

Points are awarded based on the amount of energy each activity burns, so the more active you are, the more points you'll earn toward a bronze, silver or gold medal!

IT IS EASY; you choose from among 100 different activities such as soccer, volleyball, WiiFit, bowling, running, basketball, golf, swimming - even household tasks or steps from a pedometer count!

Tracking your points is easy with **your own personal online activity log** at <http://www.presidentschallenge.org>

When you register with APS, you'll receive simple step-by-step instructions along with the APS group access code in your confirmation letter.

APS mom Susan Todd will track the group's progress online throughout the year.

In May, Susan will check the final results to finalize who has earned the bronze, silver and gold medals! Student winners will receive medals at the Promotion Celebration and will be recognized in the APS yearbook. In addition, all participants are invited to join us at a special APS awards event in May.

This APS program runs from Sept. through April and is **open to all APS family members**, including parents and siblings! **See coupons for cost and details**
